

SCAVENGER HUNT

.Join conference attendees for a Scavenger Hunt to learn more about the history and view the sites of our 2026 host city! Whether it's your first time in Vancouver or you're a local, there will be something for everyone! This activity is a chance for you to get out of the conference hotel, network with other attendees, and have some fun exploring!

*Please note, while there will be a time during the conference (TBA) for the scavenger hunt to be done as a team activity, all the activities will be available for individuals to complete and participate in their own time.

Date: October 6, 2026

Time: 1:30 - 5:30 pm
