

WOMEN'S NETWORKING EVENT

Join your fellow female exposure scientists at a fun and relaxing atmosphere to discuss the unique career, workplace, and work-life balance challenges women in exposure science face! Create opportunities to build partnership with leaders in your field through open conversation and speed-networking at this popular, annual event.

The event will be held at **Rouge Gastown** a chic, airy setting for inventive comfort food & classic dishes, located in the heart of Vancouver just less than 1 mile away from our host hotel (Sheraton Vancouver Wall Centre). This space offers the perfect cheerful ambience to enjoy your favorite beverage and some light fare while making connections!
